User Registration Instructions

2. Click on New Users Register Here! within the Get Started! box.

3. Under Select User Type, select the type that best describes your current situation.

4. Click Continue.

5. Under Personal Information, please fill out your personal information.

6. Next, fill out your Current Status, including your needs and barriers.

7. In the User Name and Password section, select a user name and password for your account.

   Note: Your user name and password must be between five and 20 characters, and may contain letters, numbers, and underscores but no other symbols or spaces.

8. In the Activation Code section, you will need to enter a code that starts with the letter “J” to gain access to system. This code should have been given to you by your school, career center or other agency.

9. Read the Terms & Conditions and indicate your agreement by checking the box. Then, click Create New Account.

10. You can log into the system at any time by returning to www.kuderjourney.com.
